

Dear Parents & Guardians,

We are excited to introduce **Smartcare Online Enrollment**, our new digital platform for registering your child in our program. With Smartcare, you will receive an enrollment link that will guide you through the registration process, making it easier and more convenient to complete on your computer or tablet—no more paperwork!

Benefits of Smartcare Online Enrollment:

- **Quick & Easy Registration** – Complete the enrollment process efficiently and have your child registered in our system right away.
- **Convenient Access** – Register from anywhere using your computer or tablet.
- **Seamless Payment Options** – Enter your payment details for autopay and/or registration fees directly within the system.

Getting Started with Smartcare Online Enrollment:

New Families:

- Select **‘New User’** and then **‘Create New Enrollment.’**
- Enter your email address, and you will receive a **4-digit PIN** to continue.
- Follow the prompts to complete your child’s registration.

Existing Families:

- Login using your **Smartcare account** to access your **Enrollments Dashboard**.
- Enter your email and password to complete the registration process.

We’re excited to offer this new, streamlined process and look forward to making enrollment easier than ever!

Sincerely,
